THEATER
FESTIVAL**

Rites of Warming

Rites of Warming is an original song cycle that explores our dystopian future in a world altered by climate change. It pulls musical inspiration from jazz standards and Stravinsky to portray climate change in a way that is beautiful, heartbreaking, and humanizing.

FOUNDER & ARTISTIC DIRECTOR

Allison Hohman

Allison is the creator of Rogue Theater Festival and a lover, not a fighter. She primarily works in stage management and lighting design in New York City, but finds herself producing, directing, acting, and whatever other artistic pursuits she can manage. She is an avid traveler and always looking for a good book to read. Check her out at allisonleahhohman.com

CREATOR NOTE

Rogue Theater Festival is proud to be in their third year of bringing new works to the stage. With every year of Rogue, we hope to see more artists find their voice through opportunity and support. Rogue is committed to being a stepping stone on the journey of artistic discovery for people of all backgrounds and experiences. We are grateful to have presented these forty-four new works in a socially distant and safe way. Learn more about Rogue at:
