Lovers of Cealg

Ted Cealg's past has come to him at last. Ted is a celebrity who is a prized piggy bank to his agent Natalie Banks. However, three former lovers accuse him of mistreatment, secrets will be revealed, and Ted's life will be altered forever. Abigail Montes, one of Ted's former lovers, looms the largest as she helps prepare the legal defense of Ted's other ex lovers, Claire Ruiz and Amy Sanders, as each has a way to hurt Ted's career. Natalie tries to steer Ted from sinking his career but how long can she keep Ted's pride in check?

Written By: Serjio Castellon

Serjio is a native from the very far ancient lands of Washington state. He had early troubles talking to people, needing to attend a speech therapy school, and did not speak his first sentence until he was three years old. Serjio's original aspirations were politics but after performing for his friends in a few video shorts, Serjio realized he wanted to work in theater and film. He loves to tell stories and has performed in various productions, both theater and film. He also has performed stand-up at comedy venues such as The Ice House, The Hollywood Comedy, and in front of his two cats.

Not only is this Serjio's directorial debut but this is also the first time his full-length play will be performed for an audience. He's excited for his production to come to life and still finds it all surreal. He is eternally grateful that he has been able to work with this cast and is excited for you all to see what they offer. He would also like to thank his friends and family who never gave up on him.
