# Pages from a Love Manifesto

*Inspired by bell hooks' "All About Love", Pages of a Love Manifesto is a devised theatrical piece that explores the lives and loves of three young couples, each at a different critical stage of their respective relationships.*

*When they come together for a weekend retreat that doubles as a surprise engagement party, their cabin proves to be less an intimate getaway and more a pressure tank ready to explode. Secrets and hidden truths emerge that force each of them to reexamine their connections to one another, and question what it means to be in love.*

***Nico Torrez (they/them) is an early career director and dramaturg currently located in Brooklyn, NY. Their interest lies in socially conscious work - exploring the systemic oppressions around us, how they've shaped our conscious histories, and questioning what it means to be human.***

***Recent credits include Grounded, Tell Them Tomorrow (Director), The Wolves, Cadillac Crew (Assistant Director), and The Killing Fields (Dramaturg). They've also been featured in The American Theatre Wing's docu-series Working in the Theatre. Pages From a Love Manifesto is their first playwriting and devising credit.
