## Chapter 2

*I often sit on the train and watch the people around me. Wondering about the kinds of lives they've lived, the hardships, the good times, the family they may have or not.*

*We live in our own little bubbles where often even the closest to us don't really know what's going on. Untitled Monologues Chapter 2 is a continuation of the journey of some of these individuals as they explore therapy and their own dark secrets.*

# CREATOR NOTE

Rogue Theater Festival is proud to be in their fourth year of bringing new works to the stage. With every year of Rogue, we hope to see more artists find their voice through opportunity and support. Rogue is committed to being a stepping stone on the journey of artistic discovery for people of all backgrounds and experiences. We are grateful to have presented these forty-four new works in a socially distant and safe way. Learn more about Rogue at:
