Smash the State

A drama, based on a 2012 event, about U.S. Army renegades in Georgia who plot to kill President Obama and overthrow the government, with the unwitting involvement of an innocent couple.

Written By: Steve Gold

Steve Gold is a New York City-based playwright and the author of the one-act drama, [The Guts of a Maniac](#), which deals with the Jan. 6th insurrection. It can be seen by googling "The Guts of a Maniac by Steve Gold." He is seeking to expand it to full-length status. Any suggestions?
